

State Budgetary Healthcare Institution of the Vladimir region «Sobinskaya District Hospital» organizes and conducts a medical examination of foreign citizens to obtain a medical opinion on the absence or presence of diseases that pose a danger to others and are grounds for refusal or cancellation of a temporary residence permit, or a residence permit, or a work permit in the Russian Federation, or a patent.

To undergo a medical examination, a foreign citizen or a stateless person submits the following documents to the institution:

1) identity documents:

a) documents certifying the identity of a foreign citizen in the Russian Federation are a passport of a foreign citizen or another document established by federal law or recognized in accordance with an international treaty of the Russian Federation as an identity document of a foreign citizen;

b) documents certifying the identity of a stateless person in the Russian Federation are:

— a document issued by a foreign state and recognized in accordance with an international treaty of the Russian Federation as an identity document of a stateless person;

— temporary residence permit;

— residence permit;

— other documents provided for by federal law or recognized in accordance with an international treaty of the Russian Federation as identity documents of a stateless person;

2) migration card and its copy (if available) for foreign citizens and stateless persons who arrived in the Russian Federation in a manner that does not require a visa;

3) a visa and its copy (for foreign citizens and stateless persons who arrived in the Russian Federation in the manner requiring a visa).

Based on the results of the medical examination, a medical report is issued on the presence (absence) of drug addiction, infectious diseases that pose a danger to others and are grounds for refusal or cancellation of a temporary residence permit for foreign citizens and stateless persons, or a residence permit, or a patent, or a work permit in the Russian Federation.

- Medical examination is carried out within a period not exceeding 5 working days from the date of application of a foreign citizen or a stateless person.

- The medical certificate is valid for three months from the date of their issuance.
